

Exhibitor & Sponsor Registration Form

Information · Pricing reference · Application form

October 26–28, 2026 · The Big Four Roadhouse, BMO Centre · Calgary, Alberta

Version 2.0 · 2026-07-29

This is the official way to register as an exhibitor or sponsor at GoGeomatics Expo 2026. It is three things in one document: the information you need, the current pricing, and the application form itself.

How to Complete This Form

1. **Save this PDF to your computer before you begin**, so your entries are kept.
2. Complete the fields on the pages that follow.
3. Save your completed copy.
4. Email it to **events@gogeo.ca**.

Keep your saved copy — it is your record of this application.

What Happens After You Submit

1. Complete this PDF and save your copy.
2. Email the completed PDF to events@gogeo.ca.
3. We acknowledge receipt.
4. Your registration is reviewed.
5. We follow up with you if anything needs discussing.
6. An invoice is issued when appropriate, after review.

This is an application, not a confirmed booking. A booking is confirmed only once a signed agreement is on file and full payment has been received. All sponsorship tiers require a signed agreement before confirmation. Standard and NGO/non-profit booth-only purchases may proceed on the approved quotation without one.

Questions Before You Apply?

Email events@gogeo.ca (Tessa Lavoie), or use the inquiry form at <https://gogeomaticsexpo.com/exhibitor-sponsorship-inquiry/>. Fuller detail on tiers and benefits is in the Exhibitor & Sponsorship Prospectus and the Participation Package, both downloadable from that page.

Bookings close October 15, 2026. Later bookings may be accepted if space remains, subject to approval. Booth and sponsorship pricing is flat — there is no late surcharge.

Participation Options & Pricing

All prices in Canadian dollars. All prices are listed in Canadian dollars (CAD). Approximate US dollar (USD) equivalents are provided for international participants. Final invoices are issued in Canadian dollars. Taxes extra.

Exhibitor Booths

Option	Price (CAD)	Approx. USD

NGO / Non-Profit Booth	\$1,250	~\$900

Every booth includes:

- One waste paper basket
- Two exhibitor staff passes
- **Conference-session access for both staff passes** (Tuesday and Wednesday)
- Monday Community Day access
- Networking events included with exhibitor participation

Not included:

- Electrical power — optional paid add-on through the venue
- Internet — optional paid add-on through the venue

- Catered lunches for booth staff

Booth staff passes do not include catered lunches. There are two food options: buy from the Stampede concession stands, or buy GoGeomatics catered conference lunches.

Sponsorship Tiers

No fixed published price — every request is quoted individually. Contact events@gogeo.ca.

Your Selection

Choose **one** option.

- ☐ Standard Exhibitor Booth (10×10) — \$3,500 CAD
- ☐ NGO / Non-Profit Booth — \$1,250 CAD
- ☐ Bronze Sponsor — \$2,000 CAD
- ☐ Silver Sponsor — \$5,500 CAD
- ☐ Gold Sponsor — \$10,500 CAD
- ☐ Platinum Sponsor (Co-Host) — \$17,500 CAD
- ☐ None of these fit — I need something custom

If you selected "something custom": If none of the options fit — custom booths, custom products or a partnership — those work best as a conversation first. Contact events@gogeo.ca rather than completing this form. Do not complete the rest of this form.

A Few More Details

- ☐ We are a returning exhibitor — please apply the returning-exhibitor rate of \$3,150 CAD.

Self-declared. The returning-exhibitor rate is confirmed by GoGeomatics at review; checking this box does not grant the discount automatically.

- ☐ My organization is a certified non-profit, academic institution, or research group. *(required if you selected the NGO / Non-Profit Booth)*

Optional Opportunities

Check anything you would like a quote for. There is no obligation and nothing here changes your core registration.

Additional Full Conference Passes

Any exhibitor or sponsor may purchase additional Full Conference Passes at the Early Bird Full Conference Pass price of \$400 CAD each, regardless of when they register. Complimentary passes included with a booth or sponsorship remain fixed and are not increased.

How many additional Full Conference Passes at \$400 CAD each?

Visibility Package

Visibility Packages are bespoke marketing programs, not fixed products. They are built from a combination of GoGeomatics marketing services and quoted individually. A package may include any combination of:

- Banner advertising
- Sponsored articles
- Press releases
- Newsletter promotion
- Social media promotion
- Article writing
- Other GoGeomatics marketing services

☐ I would like to discuss a custom Visibility Package with GoGeomatics.

Coffee Sponsorship

Coffee Sponsorship — \$7,500 CAD (~\$5,500 USD). Plus applicable taxes. Sponsor supplies branded coffee cups for service at their booth; GoGeomatics provides coffee-service placement and associated visibility. Requires a signed agreement.

☐ I would like a quote for the Coffee Sponsorship.
