Co-presenters, if any

Logistics

Notes, equipment or accessibility requirements

Before You Send

- Proposals must not be commercial in nature. Commercial presentations belong in the Geo Fast Pitches track.
- Submissions are reviewed by the Advisory Committee. The submission deadline is August 31, 2026; later submissions may be considered if program space remains available.
- The Expo reserves the right to modify the speaking schedule.

Where to send it

Email this completed form to events@gogeo.ca with your logo and headshot.
